

14.4 V Professional Cordless

14.4 V Cordless system

- ▶ Provides maximum manoeuvrability and fast work progress for impact drilling, screwdriving, sawing, planing, grinding and much more
- ▶ With powerful Bosch Battery Pack that fits all 14.4V system tools
- ▶ The intelligent Bosch Charger charges all battery packs in the Compact Power class in approximately 30 minutes

For all professional blue power tools when registered within 4 weeks of purchase at www.boschpowertools.co.uk

14.4 V Professional Cordless

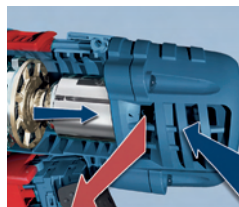

14.4 V Professional cordless Combi

GSB 14.4 VE-2 Professional Turbo Tough combi

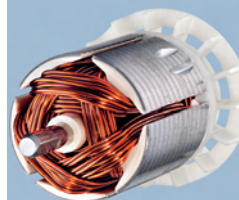

The **GSB 14.4 VE-2 Professional** has been designed for speed; its new high performance with parallel winding delivers **MORE POWER** and its air-cooled, optimised, 5 metal planetary gears deliver **MORE SPEED**. This tool is **TOUGH**, drop from scaffold and it will bounce back – it's got stacked construction and Dura-shield housing.

World's first air-cooled gear box, optimised to ensure maximum cooling.

New metal 5 planet gearbox varies the gear ratio depending on the application (screwdriving or impact drilling.)

The increased copper content of the motor windings enlarge the surface contact area to allow greater heat dissipation.

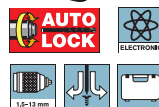

Specification	GSB 14.4 VE-2	GSB 14.4 VE-2	GSB 14.4 VE-2
Batteries	2 x 2.6 Ah NiMH	2 x 3.0 Ah NiMH	3 x 2.6 Ah NiMH
Charging Time	30 mins	30 mins	30 mins
No load Speed	470/1920 rpm	470/1920 rpm	470/1920 rpm
Impact Rate	29000 bpm	29000 bpm	29000 bpm
