

Grinders

Unbeatably light! 20% less weight – 100% power

New! GWS 22-230 LVI Professional and GWS 24-230 LVI Professional 9" angle grinders

GWS 22-230 LVI

GWS 24-230 LVI

Shuts down the tool in a fraction of a second if the disc gets jammed, similar to ABS on a car

Main and auxiliary handles offer a max. vibration load value of 5ms² according to EC/2002/44

New gearbox and Champion motor offer low weight and higher efficiency

Triple-control safety switch with restart protection

Bullet Proof Guard: anti rotation if disc breaks

(GWS24 only) Rotating rear handle with soft grip for optimum control and comfort

Specification	GWS 22-230 LVI	GWS 24-230 LVI
Discs Diameter	230 mm	230 mm
No Load Speed	6500 rpm	6500 rpm
