ӨНЕРКӘСП ЖӘНЕ ЭЛЕКТР МАТЕРИАЛДАРДЫН ЖАБДЫҚТАУШЫСЫ
ПОСТАВЩИК ИНДУСТРИАЛЬНОГО И ЭЛЕКТРИЧЕСКОГО ОБОРУДОВАНИЯ И МАТЕРИАЛОВ
SUPPLIER OF INDUSTRIAL & ELECTRICAL EQUIPMENT and MATERIALS

cables

We provide high performance electrical cables also for the harsh environments in the oil, gas and petrochemical industries including:

- Armoured cables,
- Lead cables,
- Low smokes,
- Zero halogen (LSZH cables),
- High temperature cables,
- Fire performance cables.
- Instrumentation cables
- LAN structured cables
- Fixed wiring cables,
- Belden cables,
- Data cables,
- PVC flexible cables,
- Rubber flexible cables,
- Bus cables
- Control flexible cables
- Coaxial cables

cable accessories

We provide wide range of high quality cables accessories :

- Indoor Cable Gland Packs
- Outdoor Cable Gland Packs
- Cable Cleats
- Connector Strips
- Cable Ties
- Earth Clamps
- PVC Standard Over Sleeving
- PVC Insulation Tape
- Heat Shrink Tubing
- Pre Insulated Terminals
- Cooper Terminals / Splices
- Nylon Cable Glands
- Connection Boxes
- Safety Warning Labels
- Junction Boxes
- cable tie bases / spacialist ties

cable marking systems

We provide high performance complete marking systems for wires, cables, pipes, electrical components etc.

- Single characters
- Multi characters
- Do-It -Yourself
- stainless steel cable markers
- wire marker carrier
- TX terminal block marking
- transparent cable marker carrier
- thermal transfer printer

cable management

Contents:

- Cable trunking
- Lighting trunking
- Cable tray / Wire basket tray
- Cable ladder
- Steel flexible conduit
- PVC mini /maxi trunking

switchgear & distribution

MCB / MCCB's / RCCB's / Switchfuses / Distribution Boards

tools

We provide a fool range of high quality & robustly hand- and power-tools:

- Pliers
- Screwdrivers
- Cable shears & wire strippers
- Hex keys
- Chisels
- Site equipment
- Site consumables
- Safety
- Saws & knives
- Spare bit sets
- Hammers
- Crimp tools
- Welding tools & accessories
- Drill bits
- Power tools & accessories
- Laser measuring instruments

for hazardous area:

We provide industrial equipment for Hasardous Area from leading manufactures (Zone 1 & 2 and 21 & 22)

- Lighting
- Manual call points
- Status lamps
- Beacons
- Sounders
- Speakers
- Control & distribution
- Cable glands
- Sockets & plugs
- Switches
- Control stations
- Boxes
- Enclosures
- Customised equipment

heat –tracing systems

We are providing complete range of heat tracing components for applications including oil and gas production and storage facilities, petrochemical plants, refineries, power generation, water treatment plants,

- Self-regulating heating cables
- Mineral Insulated Cables
- Control and Monitoring
- Splices and tees
- Thermostats
- Constant Wattage Heating Cables
- Series Resistance Heating Cables
- Sensors
- Accessories

test and measurement equipment

We provide high quality test equipment :

- Digital Multimeters
- Clamp Meters
- Electrical Testers
- Insulation Testers
- Earth Ground Testers
- Installation Testers
- Portable Appliance Testers
- Battery testing equipment
- Cable testing and fault location
- Digital Thermometers
- Thermal Imagers
- Indoor Air Quality Tools
- ScopeMeter® Test Tools
- Power Quality Tools
- Field Calibrators
- EX Test Tools
- Accessories
- Oil test equipment

lamps & tubes

- Incandescent Lamps
- Halogen Lamps
- Compact Fluorescent Lamps
- Fluorescent Tubes
- High Intensity Discharge

industrial wiring accessories

- Plugs
- Connectors
- Panel Mounting Sockets
- Boxes / Enclosures
- Surface Mounting Sockets
- Surface Mounting Appliance
- Switch Interlocked Sockets
- Connectors

fixing

Nuts / Bolts / Washers / Screws / Rivets
